100% Scholarships for NFPs in Western Australia

ASF is delighted to launch a brand new partnership with [AIM WA+UWA Business School Executive Education](#)

AIM WA+UWA Business School Executive Education have joined forces with ASF and the Bankwest Foundation to offer

30x 100% scholarships

to not-for-profits in Western Australia, as part of the

[Bankwest Foundation Community Leader Scholarship Program](#)

which celebrates its fifth and final year in 2019.

If you work for a not-for-profit organisation in Western Australia, we encourage you to take advantage of these incredible opportunities:

Strategic Social Media - APPLY NOW

This program will cut through the hype around social media at a tactical level, and shed light on the strategic issues in social media marketing. It will be full of examples of best practice, case studies, and will include two industry site visits. >> *Applications close 28 May 2019 at 5pm AWST.*

Strategic Development Program for Not-for-Profit Organisations - APPLY NOW

SDP-4-NFP has been developed from well-researched foundation principles of how NFPs need to configure their business models and shape their corporate strategy to address the challenges of what is now a dynamic and more uncertain environment. >> *Applications close 28 May 2019 at 5pm AWST.*

Design Thinking

The Design Thinking masterclass will lead you through the design thinking process and explore how human-centred design can help develop innovative solutions, through the use of creative tools to address the complex challenges faced by the not-for-profit sector. >> *Applications have now closed.*
